COMPLETE COLLECTION OF BARBER HALF DOLLARS

Note:—This choice set of Uncirculated and proof Half Dollars took many years to assemble, and the owner spent far in excess of catalog prices for many of these coins. The superb quality of this collection will prove to you that cost was only a minor consideration. In selling this collection the owner wanted to have them sold intact, but we suggested to sell them individually, thus giving collectors an opportunity to acquire some of these "hard to get" coins. The estimated prices are either catalog or what was paid. Wise collectors will use the same yardstick.

RARE 1892 "O" MICROSCOPIC "O"
